3. Click get started
4. Create fundraiser
5. Share & spread the word!

### The Impact

of donations  
go to The Link

### Tips for Fundraising:

Set a reasonable goal amount and timeline

build a team to help share your fundraiser

talk about your motivation to fundraise for the cause

send a personal email to your friends and family with the fundraiser link

share your fundraiser directly on a friends timeline

send a personal note on messenger to friends about your fundraiser

post updates on your fundraiser page

as people make donations thank them with comments on your fundraiser page posts
