

Help youth and families this holiday season!

Thank you volunteers for all that you do for The Link programming and our youth! It is because of you that we are able to meet basic needs, fill urgent requests and provide on-going housing and support to over 2,000 youth and families each year.

The holidays are approaching and we have a number of ways to be engaged during the next few months. Check out the opportunities below. If you have any questions do not hesitate to reach out to Yong at volunteer@thelinkmn.org.
