## Happenings

### Welcoming new Housing & Services Division Director Kesha Bradford!

The Link continues to grow to meet the needs of youth in our community, and we are excited to add a second Housing & Services Director to oversee our supportive housing program expansions.

Kesha joins The Link with 15 years of experience working with youth and young adults experiencing housing insecurity and mental wellness challenges. Throughout her work, Kesha developed a strong passion for ending youth homelessness and empowering young people to pursue the quality of life they want and deserve. Prior to The Link, Kesha served as the Program Manager at MoveFwd, where she had the opportunity to utilize some of her greatest skills: program development, team building and youth advocacy. Kesha is currently earning her M.A. in Social Work at Augsburg University and looks forward to bringing her knowledge of social justice, trauma and resiliency to her work at The Link. Kesha holds a B. A in Psychology from the University of Minnesota and M.A in Liberal Learning from Marietta College.

### Homeless Day on the Hill

Homeless Day on the Hill will take place this year on Wednesday, March 11, 2020. It is a free, family-friendly event open to all who care about ending homelessness in Minnesota.

The day offers the chance to meet with legislators, share stories and raise awareness on the importance of preventing and ending homelessness.

If you are interested in joining The Link for Homeless Day on the Hill, please contact [volunteer@thelinkmn.org](mailto:volunteer@thelinkmn.org) for more information!
