

# WE NEED YOUR HELP

## **DONATIONS MAKE OUR WORK POSSIBLE**

COVID-19 has changed everything. We have thousands of youth and families that need our support. Please make a donation of any size to help our programming continue

## **GIFT CARDS FOR URGENT NEEDS**

As our community continues to be affected by COVID-19 gift card donations will help us meet the individual and urgent needs of our youth and programs.

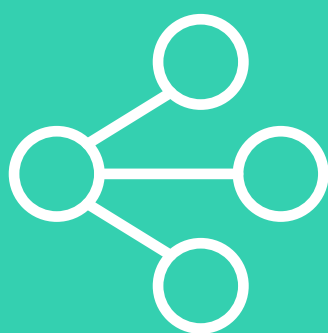

## **AMAZON WISH LIST**

We need supplies now more than ever. Please purchase items off our Amazon Wish List and they will be shipped to the programs that need them. We will continually update this list so please check back often.

## **WE NEED YOUR VOICE**

We will soon be asking all of our volunteers and donors to help support our youth and young families by contacting their local/state representatives to help get appropriate funding passed to meet the expanding needs of programs like ours. We would love your help doing this and will get you information as soon as we possibly can.

## **SHARE WITH FRIENDS & FAMILY**

Please tell your friends and family about the work that The Link does and the incredible youth and families that need our support. Spread the word through text messages and social media. We truly need you all now more than ever!
