

Even though our youth are still enjoying summer break, The Link is preparing for our Annual Back to School Event in August! All youth and young families at The Link are invited to attend a fun afternoon where they can access critical resources like backpacks, school supplies, new clothing, hygiene products and more!

Did you know that most back-to-school lists have over 30 items on them? On top of school supplies, youth also need socks, underwear, soap and other essentials. For most of our families this can be very hard to afford.

You can help make sure 300+ local youth are equipped with back-to-school essentials so they feel comfortable and confident this school year by [making a donation](#) or purchasing needed items from our [Amazon Wish List!](#)
