

Thank you, Burnsville Rotary & Dick Manley Fund!

The Link is deeply grateful for the generous partnership of the Burnsville Rotary over the past 10 years. Together, we have helped provide a safe place for youth experiencing homelessness in Dakota County to “drop-in” and receive basic needs supplies, trusted adult relationships, and a pathway toward housing and stability. The Link is especially honored to have received special funding in 2023 through the Dick Manley Fund. Dick was a longtime supporter and advocate for homeless youth and this gift in his memory will ensure even more young people can access food, clothing, shelter, safety, and more.
