FOOD DISTRIBUTION

HELP ENSURE YOUNG PEOPLE HAVE ACCESS TO HEALTHY MEALS THEY CAN MAKE ON THE GO!

We have two main needs for Food Distribution:

1. A recurring shift every Tuesday morning in North Minneapolis picking up meals from one of our partners and distributing them to one of our housing sites and our main office.
2. On-call support to distribute meals to program sites across the metro as needed.

FOR THIS ROLE, WE ARE SEEKING VOLUNTEERS WHO:

- Have access to reliable transportation and can provide proof of insurance.
 - Your vehicle does not need to be large; any size is welcome!
- Are willing and able to pass a background check.
- Can lift and carry up to 25 pounds. While this is a preference, it is not a requirement.
- Can complete any necessary orientations.
- Due to our hours of operation, volunteers must have schedule availability at least one weekday, sometime between 8AM-5PM.

CURRENT VOLUNTEER NEEDS

PANTRY ORGANIZING

Do you love making spaces clean and tidy? Is your label maker your best friend? Are you comfortable discarding items that are in poor condition or don't serve a purpose? If so, you would make a great fit as a Pantry Organizer! We serve over 2000 youth each year across multiple program sites, many of which have food and hygiene pantries, and/or donation closets on site to help provide basic supplies to those in need.

DONATION DISTRIBUTION

Did you know that The Link has over 20 programs spread out over 10 sites across the Twin Cities? We have many generous supporters who donate much needed items like hygiene kits or food, but we often struggle with getting these donations distributed to all of our sites quickly. Help our team save time and get resources to young people faster by joining our Donation Distribution team!

This role is as needed. Shifts will typically take between 30 minutes and 2 hours, depending on location(s).
